

What has your local Conservative team done for Redditch so far?

Here's just some of our **local** achievements:

- We've secured funding for the upgrade of Redditch Train Station.
- We've held three 'state of area' events as we regenerate our town centre.
- We're increasing the number of parking spaces in residential areas.
- We've invested in programmes to combat homelessness.
- We've introduced a £10-15,000 pot of money for good causes in each area.
- We're turning around empty council houses quicker.
- We kept our promise by not increasing Council Tax above inflation.
- We're bringing the Arrow Valley Visitor's Centre back into public control.

Our local manifesto to keep unlocking Redditch

- 1** Unlock the potential in our town centre to create new homes, jobs and a more vibrant retail and leisure offer.
- 2** Build new council homes and prioritise local people, when we fix our broken property market.
- 3** We are totally committed to supporting our Alexandra Hospital and strive to improve health and social care outcomes across Redditch.
- 4** A more commercially-minded council that will invest for the future of the whole Borough of Redditch.
- 5** Develop a safer and more pleasant evening experience in Redditch town centre, investing in our evening economy.
- 6** Active management of our trees, parks and open spaces as part of our duty to the environment.
